The 06 November 2025 marked an honour and a moment of pride as the Mpumalanga Department of Public Works, Roads and Transport celebrated excellence and dedication through the 2024/25 Expanded Public Works Programme (EPWP) Provincial Kamoso Awards, which took place at the Sydney Choma Banquet Hall in Middelburg.

MEC Thulasizwe Thomo was joined by Executive Mayors from district and local municipalities across the province, representatives from the National Department of Public Works and Infrastructure, provincial departments, invited guests, EPWP participants and implementing public bodies.

“Tonight, we honour those who turn opportunity into impact. Those who serve — and change lives — through the Expanded Public Works Programme. This evening is not only about recognizing outstanding performance, but also celebrating the spirit of service, partnership and empowerment that defines the EPWP,” said MEC Thomo.

In his address, MEC Thomo extended his heartfelt gratitude to all stakeholders — in particular municipalities, provincial departments, public entities and implementing partners — for their unwavering commitment to ensuring that the EPWP continues to touch lives and uplift communities across Mpumalanga.

The Kamoso Awards serve as a vital platform to acknowledge and reward excellence in the implementation of EPWP projects across all sectors. These awards recognise municipalities, provinces, departments, public entities and individuals who have excelled in implementing the programme.

“To all the winners and nominees of the 2024/25 Kamoso Awards, we extend our warmest congratulations. Your dedication, passion and innovation inspire us all,” said MEC Thomo.

“Through your efforts, we continue making the Expanded Public Works Programme a vehicle of hope, dignity and opportunity for every citizen of our province.”
