1. This EPWP report is based on information received from reporting bodies across identifies EPWP Sector Departments for the period above and should be read in conjunction with the narrative section of the relevant EPWP Quarterly Report.
2. This consolidated report has been generated from a per project dataset. Data received from national and provincial governments, as well as municipalities.
3. Project budgets are based on reports received, some of these budgets might run over multiple financial years. Infrastructure Sector budgets are not only based on PIG and MIG funding, but also on Provincial Equitable Shares.
4. Expenditure in some cases are actual expenditure and in other cases transferred funds to provinces and implementing bodies.
5. Zero's or blank fields imply that reporting bodies did not report on requested information.
6. A work opportunity is paid work created for an individual for any period of time. The same individual can be employed on different projects and each period of employment will be counted as a work opportunity.
7. A work opportunity in the Infrastructure Sector has an average duration of four (4) months and in the Environment & Culture Sector an average duration of six (6) months.
8. The "Gross Number of Work Opportunities" is the overall number of work opportunities that the reporting body has reported on
9. One Person-Year of Work is equal to 230 paid working days including paid training days. The calculated wages paid out to employees on EPWP projects have been calculated by multiplying the minimum wage rate with the person-days of work.
10. Planned projects or projects that have not started as yet, have been filtered out of this consolidated report.

1. This EPWP report is based on information received from reporting bodies across identifies EPWP Sector Departments for the period above and should be read in conjunction with the narrative section of the relevant EPWP Quarterly Report.

2. This consolidated report has been generated from a per project dataset. Data received from national and provincial governments, as well as municipalities.

3. Project budgets are based on reports received, some of these budgets might run over multiple financial years. Infrastructure Sector budgets are not only based on PIG and MIG funding, but also on Provincial Equitable Shares.

4. Expenditure in some cases are actual expenditure and in other cases transferred funds to provinces and implementing bodies.

5. Zero's or blank fields imply that reporting bodies did not report on requested information.

6. A work opportunity is paid work created for an individual for any period of time. The same individual can be employed on different projects and each period of employment will be counted as a work opportunity.

7. A work opportunity in the Infrastructure Sector has an average duration of four (4) months and in the Environment & Culture Sector an average duration of six (6) months.

8. The "Gross Number of Work Opportunities" is the overall number of work opportunities that the reporting body has reported on

9. One Person-Year of Work is equal to 230 paid working days including paid training days. The calculated wages paid out to employees on EPWP projects have been calculated by multiplying the minimum wage rate with the person-days of work.

10. Planned projects or projects that have not started as yet, have been filtered out of this consolidated report.

1. This EPWP report is based on information received from reporting bodies across identifies EPWP Sector Departments for the period above and should be read in conjunction with the narrative section of the relevant EPWP Quarterly Report.
2. This consolidated report has been generated from a per project dataset. Data received from national and provincial governments, as well as municipalities.
3. Project budgets are based on reports received, some of these budgets might run over multiple financial years. Infrastructure Sector budgets are not only based on PIG and MIG funding, but also on Provincial Equitable Shares.
4. Expenditure in some cases are actual expenditure and in other cases transferred funds to provinces and implementing bodies.
5. Zero's or blank fields imply that reporting bodies did not report on requested information.
6. A work opportunity is paid work created for an individual for any period of time. The same individual can be employed on different projects and each period of employment will be counted as a work opportunity.
7. A work opportunity in the Infrastructure Sector has an average duration of four (4) months and in the Environment & Culture Sector an average duration of six (6) months.
8. The "Gross Number of Work Opportunities" is the overall number of work opportunities that the reporting body has reported on
9. One Person-Year of Work is equal to 230 paid working days including paid training days. The calculated wages paid out to employees on EPWP projects have been calculated by multiplying the minimum wage rate with the person-days of work.
10. Planned projects or projects that have not started as yet, have been filtered out of this consolidated report.

1. This EPWP report is based on information received from reporting bodies across identifies EPWP Sector Departments for the period above and should be read in conjunction with the narrative section of the relevant EPWP Quarterly Report.

2. This consolidated report has been generated from a per project dataset. Data received from national and provincial governments, as well as municipalities.

3. Project budgets are based on reports received, some of these budgets might run over multiple financial years. Infrastructure Sector budgets are not only based on PIG and MIG funding, but also on Provincial Equitable Shares.

4. Expenditure in some cases are actual expenditure and in other cases transferred funds to provinces and implementing bodies.

5. Zero's or blank fields imply that reporting bodies did not report on requested information.

6. A work opportunity is paid work created for an individual for any period of time. The same individual can be employed on different projects and each period of employment will be counted as a work opportunity.

7. A work opportunity in the Infrastructure Sector has an average duration of four (4) months and in the Environment & Culture Sector an average duration of six (6) months.

8. The "Gross Number of Work Opportunities" is the overall number of work opportunities that the reporting body has reported on

9. One Person-Year of Work is equal to 230 paid working days including paid training days. The calculated wages paid out to employees on EPWP projects have been calculated by multiplying the minimum wage rate with the person-days of work.

10. Planned projects or projects that have not started as yet, have been filtered out of this consolidated report.
