

XHARIEP DISTRICT MUNICIPALITY

VISION AND MISSION

VISION

- To realize a district municipality that is financially viable with political and administrative sound capacity and be able to provide sustainable, efficient, effective and affordable service delivery in relation to developmental and governance principles. To have EPWP as a delivery strategy in the implementation of all municipal projects and to lead in the implementation of EPWP in the district by 2014 and beyond.

MISSION

- Xhariep District Municipality aims to significantly improve growth, and reduce unemployment and poverty. We will do this through working with all stakeholders to develop an effective infrastructure to encourage businesses to establish and grow , using and adding value to local products and services, by marketing Xhariep nationally and internationally.

BACKGROUND

○ DESCRIPTION AND LOCATION

The District constitutes the southern part of the Free State Province and covers an area of approximately 34,131km². There are 20 towns in this district, which boasts abundant natural resources such as water and agricultural land.

The Xhariep Dam, which is the largest Dam in South Africa, is situated at the southern tip of the Xhariep District.

Moreover, 3 National Roads(N1-Gauteng to Cape Town, N6- Eastern Cape to Bloemfontein and N8- Bloemfontein to Kimberly) passes through this district presenting good economic spin-offs.
